Student fees

A fee applies for most TAFE NSW courses and must be paid when you enrol. The amount you pay depends on the type of course you study, and on your personal circumstances.

You will have the option to pay your fees in full or by a payment plan.

Government subsidised courses

In 2015, the NSW Government is changing the way training in NSW is funded. Under the new ‘Smart and Skilled’ changes, the NSW Government is targeting funding towards the skills that are needed for jobs and economic growth. As part of these changes, the NSW Government has released the 2015 Skills List, which sets out priority areas for training. The qualifications on this list will receive government subsidies to make sure training priorities match the needs of the economy. This list includes qualifications that will attract a government subsidy in 2015 plus their prices and fees.

If you enrol in a course on the 2015 Skills List and you are eligible, you will pay a fee set by the NSW Government. This fee will apply to all training organisations in NSW, both public and private.

The 2015 Skills List covers:

- certificate II to advanced diploma qualifications
- select foundation skills courses
- all apprenticeships and selected traineeships
- part qualifications for key groups and sectors.

To view the 2015 Skills List, fees and eligibility requirements visit [www.smartandskilled.nsw.gov.au](http://www.smartandskilled.nsw.gov.au)

Please note: These selected certificate IV qualifications are eligible for VET FEE-HELP:

- CHC40312: Certificate IV in Disability
- CHC40108: Certificate IV in Aged Care
- AHC40110: Certificate IV in Agriculture
- ICA40411: Certificate IV in Information Technology (Networking)
- SIT40212: Certificate IV in Travel and Tourism

To view the 2015 Skills List, fees and eligibility requirements visit [www.smartandskilled.nsw.gov.au](http://www.smartandskilled.nsw.gov.au)

VET FEE-HELP loans

VET FEE-HELP loans are available to NSW Government subsidised students in diploma or above qualifications.
You are eligible for VET FEE-HELP if you:

- are an Australian citizen or permanent humanitarian visa holder living in Australia for the duration of the unit of study
- are studying a full-time course with an approved provider
- are studying an eligible full-fee course at diploma level or above
- have not borrowed more than the maximum amount (currently $96,000).

Permanent residents and New Zealand citizens are not eligible for VET FEE-HELP Loans.

What if the course I want is not on the 2015 Skills List, or I am not eligible for a Government subsidised place?

There may be an equivalent course listed on the 2015 Skills List that you can enrol in. Call us on 13 SWSi (13 7974) to find out about equivalent courses on offer.

If you choose to enrol in a course that is not on the 2015 Skills List or you are not eligible for a government subsidised place you may have the option to enrol in a full-fee version of the selected course.

If this is a diploma or advanced diploma you may be eligible to apply for VET FEE-HELP.

For more information about VET FEE-HELP visit www.studyassist.gov.au

Fees for apprentices and trainees

Apprentice fees will be capped at $2,000 for students commencing in 2015.

Traineeship fees will vary, depending on the qualification.

Any student registered as a NSW apprentice or new entrant trainee will be eligible for subsidised Smart and Skilled training, regardless of other qualifications held or previous qualifications completed.

Concession fees

In 2015, concession fees per TAFE NSW qualification will be set as a flat fee for the qualification level.

Students who are eligible for a concession fee include:

- Commonwealth welfare recipients
- dependent child, spouse or partner of a Commonwealth welfare recipient.

Harassment and bullying

Harassment is any conduct (verbal, written or physical) that is unwanted, unwelcome or which may be offensive.

It is against the law in NSW to harass or discriminate on the grounds of age, gender, marital status, physical or intellectual disability, race or sexual preference.

If you believe you are being harassed, bullied, discriminated against or unfairly treated in any way, it is important that you contact your teacher or a counsellor at your college.
